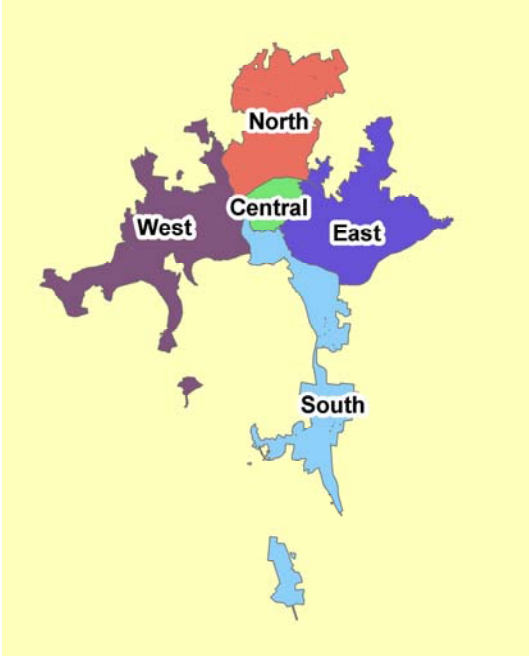
Asheville Police Crime Statistics Information Page



Disclaimer

The data contained in this web site reflect allegations of incidents that have been reported to law enforcement. The data is susceptible to a degree of error due to the complexities involved in data collection, entry, and geoprocessing. No warranty or guarantee is made nor implied regarding the content, geographic accuracy, timeliness, or completeness of the data.

The Asheville Police Department and the City of Asheville are not liable to users for any direct, indirect, special, consequential, or incidental losses or damages of any kind or character resulting from or arising out of the display of information on this web site.

Instructions

Click on the bookmarks tab to view the table of contents. Note that you can click the corresponding bookmark to return to the information page or the map page.

Click on the “map” bookmark. With the map on your screen, use the zoom tools and the hand tool to locate the Reporting Area and streets for which you have interest. It is important to zoom-in so that you can see sufficient detail. In the bookmarks tab there is an alphabetical list of each Reporting Area. Click on the desired Reporting Area bookmark and you will be brought to the corresponding crime table.

The crime table shows the count of Incidents on each street within that Reporting Area, as well as the total counts for the entire Reporting Area. Scroll to the desired streets to obtain the information. A legend at the top of each page describes the Incident codes.

North Reporting Areas
